This matter comes before the Public Service Commission of South Carolina (the "Commission") on the request of eVulkan, Inc. ("eVulkan" or the "Company") for an extension of time in which to prefile its testimony regarding its application for a Certificate of Public Convenience and Necessity to operate as a non-facilities-based reseller of local exchange and long distance telecommunications services within the State of South Carolina pursuant to S.C. Code Ann. §§ 58-9-280 and 58-9-520 (Supp. 1999). The Company was originally scheduled to file its prefiled testimony with the Commission on or before August 30, 2000. eVulkan now asks for an extension of time to prefile its testimony due to an inadvertent oversight by the Company's Washington counsel and the travel commitments of the officer testifying on behalf of the Company. We find that an extension of time for the Company to prefile its testimony should be granted. Accordingly, eVulkan shall prefile its testimony and/or exhibits on or before **September 14, 2000**, and shall serve all parties with copies as per the Commission rules.
